

Test Equipment Requirements

For Online (At Home) HSK and YCT Tests

Before the test registration, please check whether the computer, software configuration and network meet the test requirements. Those who fail to meet the standards are not allowed to take the test.

- (1) Computer: Windows (7/8/10) operation system, the screen resolution is recommended to be set above 1440*900 (minimum setting is above 1366*768).
- (2) Network: download the Chinese network test client and test the network speed. It needs to reach 150KB/s and above, do not register if the network does not meet the requirement.
Download address: <https://test.chinesetest.cn:36165/client.html>
- (3) Camera:
 - A: An independent high-definition camera (More than 300,000 pixels) must be provided or prepared on the test computer.
 - B: Mobile phone with camera, with a completed download of **ZOOM** application. And The room is well lit and the camera is clear.
- (4) Enter the test room an hour before the test starts, and place the mobile phone at the rear left or right at the distance of about one meter, so that the examiner can see the computer screen and the candidate himself.
 - A: The examiner can check the examination environment of each candidate and will instruct the examinee to tour the test room for 360 degrees and make sure that there are no other persons, prohibited items in the test room.
 - B: Candidates need to connect their mobile phones to the WIFI network and turn on "airplane mode".
 - C: The camera phone needs to have sufficient power to ensure that it does not shut down during the entire exam.
- (5) Headphones: clear sound and good condition in sound insulation.
- (6) Examination environment: the examination must be carried out independently in a safe, closed and interference-free room, and it is forbidden to perform it in open places, such as parks, cafeterias and restaurants. Exam necessities, such as computers and keyboards, must be placed on the desk. No one else can enter or leave the room during the exam. There should be no prohibited items in the exam room. Once the test regulation is violated, the test score will be invalidated.

Preparation Before Test

To ensure successful completion of the exam, exam candidates should complete the following installation **at least one day before the exam**. Proctors will contact each exam candidates in advance.

1. Connect the candidate to test the videoconference online and guide the candidate to refer to the following figure to prepare for placement:

2. Confirm that the candidate has downloaded and installed the software, and run the verification camera, network speed, headset, input method, etc. before testing to confirm that all aspects of the operation are normal.

The software download address is as follows:

<https://test.chinesetest.cn:36165/client.html>

3. The exam candidates need to print the admission ticket and test password which can be found at the Personal Information Center-Print Admission Ticket, as shown below:

NO.	准考证号	考试科目	考试时间	考点	状态
1	---	HSK一级	2020-04-30	北京语言大学 (网考)	已缴费
2	---	HSK一级	2019-09-30	北京语言大学 (网考)	已缴费
3	H31702815040000091 (PWD: 2334)	HSK三级	2020-04-30	北京语言大学 (网考)	已生成准考证 打印准考证

Attention 1:

The HSK Candidate's registration photo will be used for face recognition and identity verification before and during the exam. Those who fail their identity verification due to problems of the photo provided by the candidate will have their test results cancelled and the test fee will not be refunded.

The HSK photo style requirements are follows:

- A most recent (within 6 months before the test date) photo for ID card purpose (two-inch standard), no casual photo or photo taken with landscape is allowed;
- Photos should not be taken of candidates wearing hats, scarves, hair bands, and sunglasses (except those with special religious beliefs);
- Both black and white and color photos are accepted, and a white background is preferred.

Attention 2:

There is no need to use drafts for online exams. During the exams, paper, electronic equipment and other items are prohibited from using, for either copying or recording test question.
