

WESLEYAN

Academy for Lifelong Learning

Wesleyan College invites you to join a program that provides an exciting range of educational and social opportunities to mature learners in central Georgia. The Wesleyan Academy for Lifelong Learning (WALL) offers a wide variety of courses designed to introduce you to new ideas and activities in a relaxed and congenial setting, without concern for tests, grades or requirements, other than participation. Courses are of a short duration, usually four weeks and are staggered throughout the year. The sessions are taught by Wesleyan College and other university faculty members as well as experts from the community at large. Membership in the Academy allows you an opportunity to share your ideas and life experiences with like-minded people while possibly experiencing new ideas and interesting, sometimes controversial, topics. Regardless of prior educational experience, this program has something for everyone; all you need is curiosity and a willingness to learn. The Academy serves Wesleyan's commitment to lifelong learning by connecting the resources of the College with the diverse needs of our community.

Registration for the Spring 2024 semester will open on Monday, November 6, 2023, and you may register either on-line or by mail. Charter members and Annual members who previously paid their membership for the current academic year should check the appropriate box on the registration form to indicate that their fee has been paid. The fee charged by the Academy for semester members is \$80 and for a single course the fee is \$45, this is a non-refundable membership fee which allows members to register for courses on a space available basis. In the event a course is full, a waiting list is established and openings for that course will be filled from the waiting list. If you would like more information, please contact the WALL Coordinator, Hannah Doan, by phone: **478-757-5233** for a registration form, or send an e-mail to hdoan@wesleyancollege.edu. For those registering on-line, type in the address <https://www.wesleyancollege.edu/WALL> on your browser in order to access the WALL website. The website will allow you to view course descriptions, dates, and times, as well as the Curriculum Vitae of the instructor. To register by mail, please fill out the Registration Form and mail to the address below.

Charter and Annual members who have their login credentials may register on-line by selecting the Member Login tab on the WALL website and entering their username and their password. New members who have joined on-line for the Spring Semester will be emailed their login credentials and can complete their registration as directed above. Some courses have limits on class size so it is suggested that you register as soon as possible.

Send your completed registration form and credit card info, or check to:
